

ELECTRONICS MANUFACTURING

- ④ Noida and Greater Noida with its proximity to Delhi, are the most preferred investment destinations for ESDM sector in the country.
- ④ Noida- Greater Noida Development Authority Areas and Ghaziabad district are notified clusters in Uttar Pradesh for availing MSIPS scheme of Government of India.
- ④ The State has become a hub for the semiconductor industry with several major players having their offices and research and development (R&D) centres in Noida and Greater Noida.
- ④ Home to prestigious companies in electronics sector like Samsung, LG Electronics, ST Microelectronics, VIVO Mobiles, OPPO Mobiles, Lava, Intex and many more.
- ④ Electronics Manufacturing Zone (EMZ) at Noida, Greater Noida and Yamuna Expressway.
- ④ Electronics Manufacturing Zones (EMZ) have seamless connectivity, state of the art infrastructure, logistics hub, 24x7 water-power availability, social infrastructure, international schools, hospitals & cut across through DMIC & AKIC.

Yamuna Expressway Electronic
Manufacturing Cluster
Ecotech VI & VII, Greater Noida
Electronic Manufacturing Cluster

KEY INVESTMENT OPPORTUNITIES

- ④ Setting up of Electronics Manufacturing Clusters (EMCs)
- ④ Semiconductor Wafer Fabrication (FAB)
- ④ Electronic Components
- ④ Strategic Electronics
- ④ Semiconductor Design
- ④ Electronics Manufacturing Services (EMS)
- ④ Telecom Products
- ④ Industrial / Consumer Electronics
- ④ Manufacturing of Medical, Defense, Automotive and Power Electronics Items
- ④ Manufacturing of Networking Equipment
